

**Still fighting  
garbage odors,  
flies and maggots ?**

**Banish them with a**

**Canfresh  
Kitchen Waste Solution !**

## **What is Canfresh ?**

*Canfresh is an automatic system that controls humidity and temperature to reduce household organic waste odors*

- 1. Fly-free, maggot-free**
- 2. Odor-free, worry-free**
- 3. Store organic waste to 4-week**
- 5. Pest-proof, raccoon-proof**
- 4. Very low operating cost**

**What does a Canfresh System look like ?**

**A Canfresh DHG100 system installed in a garage**

## **Four Easy Steps to Odor-free Waste Recycling**

- 1, Install the equipment in garage.**
- 2, Put organic waste in the Canfresh Bin ( green bin)**
- 3, Store the waste in the Canfresh Bin as long as you like without worrying about odors.**
- 4, Pull the Bin out to curb on garbage collection day just as a green bin.**

We are proud to say that
